

League of Legends Tournament Information

Greetings, summoner! Welcome to the first ever Supergirl Gamer Pro League of Legends tournament. Established in 2007, the Supergirl Pro Series was developed as a showcase for girls in action sports and as a celebration of female strength, independence, and empowerment. With the rise in esports, Supergirl Pro has extended its reach to include gaming tournaments in their series, Supergirl Gamer Pro. Teams of all skill levels are encouraged to participate. Every team must have **at least 2 girls** (Anyone who identifies as a female, regardless of whether you are a cis-gender or transgender woman). Details of the tournament can be found below:
